

INSTRUMENT RENTAL AGREEMENT

2016-2017 School Year

Students who use a school owned instrument are required to pay a rental fee on a yearly basis to help cover general repairs and maintenance. These fees are not used to cover repairs that are the result of damage or breakage due to student neglect or misuse as per the rental agreement.

The rental fee does not include instruments that are parent/student owned OR instruments that are rented from Reiman Music. Only those students and parents who have consulted with the band directors (Mr. Plummer and Mr. Sletten) are using school owned instruments.

Percussionists are also required to pay this yearly fee because the majority of instruments used as a percussionist are school owned instruments (bass drum, timpani, xylophones, etc). This fee helps cover the cost of drum head and mallet replacement, as well as maintenance.

If you are unsure whether or not you are supposed to pay this fee, please consult your student's band director!

I hereby agree to accept responsibility for the care of the school instrument being loaned to

_____ for use in the Earlham Band Program
Student's Name(s)

The cost for the school year is \$30.00 per student. Checks are to be made out to "Earlham Community Schools".

I understand that I am to keep the instrument in good playing condition and that I will arrange and pay for the repair of any damage or breakage for which my student is responsible.
