

## Wellness Policy Report to the Public

To implement the Wellness Policy, the following district specific goals have been established:

**Goal 1 – Nutrition Education and Promotion:** Schools will provide nutrition education and engage in nutrition promotion that help students develop lifelong healthy eating behaviors. The goal(s) for addressing nutrition education and nutrition promotion include the following:

- Provide students with the knowledge and skills necessary to promote and protect their health;
  - [K-6 receive nutrition education during PE/Health integration.](#)
  - [7-12 receive nutrition education during Health classes.](#)
- Promote fruits, vegetables, whole-grain products, low-fat and fat-free dairy products, and healthy foods;
  - [Posters in the lunchroom promoting healthy foods](#)
  - [Monitoring of lunch trays for fruits and vegetables](#)
  - [Exclusive use of whole grain buns for school nutrition program](#)
- Link with school meal programs, cafeteria nutrition promotion activities, school gardens, Farm to School programs, other school foods, and nutrition-related community services;
  - [Purchase of fruit and sweet corn from school FFA Chapter](#)

**Goal 2 – Physical Activity:** Schools will provide students and staff with age and grade appropriate opportunities to engage in physical activity that meet federal and state guidelines, including the Iowa Healthy Kids Act. The goal(s) for addressing physical activity include the following:

- Promote the benefits of a physically active lifestyle and help students develop skills to engage in lifelong healthy habits;
  - [K-12 students receive quality PE/Health taught by certified teachers to encourage lifelong health & wellness.](#)
  - [Students and parents sign off on physical activity forms if not able to schedule Physical Education classes](#)
- Encourage classroom teachers to provide short physical activity breaks (3-5 minutes), as appropriate;
  - [Classroom teachers utilize movement breaks and brain boosts using technology such as GoNoodle.](#)

**Goal 3 – Other School-Based Activities that Promote Student Wellness:** Schools will support student, staff, and parents' efforts to maintain a healthy lifestyle, as appropriate. The goal(s) for addressing other school-based activities that promote student wellness include the following:

- Provide parents a list of foods and beverages that meet nutrition standards for classroom snacks and celebrations;
  - [Provided at Registration each Fall](#)
  - [Posted on District Webpage under Food and Nutrition](#)
- Support the consumption of breakfast at school by implementing alternative breakfast options to the extent possible (e.g., grab n' go, breakfast in the classroom, breakfast after 1<sup>st</sup> period, etc.);
  - [Alternative breakfast options offered each day](#)
  - [Alternative breakfast grab-n-go listed on monthly menu and posted on District Webpage](#)
- Permit students to bring and carry water bottles filled with water throughout the day;
  - [Students are permitted and encouraged to have water bottles](#)

- Make drinking water available where school meals are served during mealtimes;
  - [Students may have their own water bottles](#)
  - [Two drinking fountains are right outside the cafeteria](#)

**Public Involvement:** There is a process for permitting parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, administrators and the public to participate in the development, implementation, and periodic review and update of the policy

- The district has a local wellness policy committee to advise the district on the development, implementation, and improvement of the school wellness policy;
  - [Wellness Policy and Regulations which included these goals were presented at two School Board meetings prior to approval](#)
  - [Posted on the District Website](#)
